BLACK MIRACLES
THE MIRACLES OF BLACK AMERICAN HERITAGE
FUND ~ RAISER

Greetings Organization:

We would like to introduce your organization to an excellent fund raising program – selling BLACK MIRACLES posters and/or T-shirts. The sales of these products will do much more than just raise money for your organization; they will inspire our youth towards greater accomplishments. Each BLACK MIRACLES Book-On-A-Poster™ inspires, educates and decorates any home, church or office. We urge poster owners to show respect to our ancestor by framing and prominently displaying their Black Miracles Book-On-A-Poster™.

*To truly know our past of miracles ... is to know the possibilities of miracles in our future. It is important to remember that each invention had to be inspired by God's divine power, because in many cases our people accomplished miracles that were **A FIRST** known in recorded history. Things like lights, electricity, telephone transmission and internal surgery (to name a few) are miracle contributions to benefit the world ... done by people who had overwhelming social / economic adversities and injustices to cope with.*

The Black Miracles Book-On-A-Poster™ has **over 200 contributions** by African American men & women, listed in alphabetical order by invention and cross-referenced by scientist's last name. The list includes U.S. Patent numbers along with the date of the patent. Be sure to visit our website at: www.BlackMiracles.com. Also visit and search for patent information at www.uspto.gov/index.html by patent number or inventor's name.

Please let us know what we can do to assist you and your organization in any way with publishing this information. Purpose Publishing, Inc. will do everything possible to share the miracles and the wealth with God's people.

Sincerely,

Ray Mapp / Purpose Publishing, Inc.
